**ACTION PLAN FOR IMMEDIATE CHANGE to counter the corruption , censorship and surveillance by media/tech/finance giants and politicians:**

1)Cancel Cable TV (All channels should be made available individually so consumers don't have to give money to channels they don't want to)

2)Do Not donate money to politicians & consider boycotting companies that give them money or pay them for speeches.  
Some might decide to boycott Facebook, Twitter, Apple, Amazon, Microsoft, Google and Netflix for censorship or corruption issues alone.

3)Bank with small local banks & invest with small brokerages & insist your employer/pension fund do the same.

4)Support a pardon for Julian Assange & Edward Snowden and other whistleblowers/truthtellers

5)Join Pro freedom social networks like MINDS or Gab , where freedom of speech and truth are respected.  
Follow Zero Hedge, Corbett Report and Project Veritas for pro truth/freedom news.

6)Use web browsers like Dissenter, Tor or Brave rather than Chrome or Safari when you surf the web.  
Use search engines like Quant or DuckDuckGo rather than Google or Bing for web searches.  
Use an email service like ProtonMail rather than Gmail.  
Save important online videos/articles/posts to your PC hard drive or phone.  
Post videos to Bitchute and LBRY rather than youtube  
Shop online at Overstock and smaller independent retailers rather than Amazon/Wayfair

7)Use Linux operating systems like Linux Mint, Lubuntu, Debian or others on your computer rather than Windows, Mac or Chrome OS (Almost any PC can be switched to Linux).  
Use a Linux based smartphone like PINEPHONE or a "dumbphone" rather than Google Android or Apple iPhone.  
Avoid buying a "smart" TV as it is smarter to buy a "dumb" TV with no operating system pre-installed.  
Use a Linux mini PC on your TV for web browsing/computing/gaming/video streaming rather than amazon fire tv/roku/google chromecast/apple tv/microsoft xbox/nvidia shield.

8) Do NOT support the "War on Drugs" which causes more crime, death, murder, gang violence, incarcerations, enriching criminals while millions of people still use illegal drugs anyway.

9) Support a new foreign policy where We The People worldwide unite behind and promote the principles of truth/freedom/goodwill/integrity/humility/Non-Aggression Principle/Golden Rule and focus on winning hearts and minds.

10) Support a worldwide effort to voluntarily help others in the hope that it will win over more people to these principles.

Please share this plan of action with others via text, email & social media if you agree. Here is link to share this message. Thank You

Almost any computer can be switched to Linux from windows, mac or chrome OS. Here are some tutorials but if you feel intimidated by making the switch I would suggest asking a computer literate friend to help or going to a local computer shop.

All political parties are easily co-opted & corrupted. Things won't change much until citizens unite behind truth/freedom/goodwill/integrity/humility/Non-Aggression Principle/Golden Rule. My goal in life is to unite people worldwide behind these principles and I hope many will join in this effort. Most politicians who claim to serve the public are really self servants/crony servants. Therefore, We the People must unite to make change. Social media/networking make this possible.

We have a short time on this earth, which reminds me why truth, freedom, kindness, forgiveness, goodwill and integrity are of the highest value. Some may say you can't save the world, but I would say why not try anyway? I've got nothing better to do.
